

NAGC

auctions

2020

In January 2020 gladiolus lovers will travel north, west and/or south to the 75th NAGC convention in San Luis Obispo, CA. Our committee will be ready to accept the unique treasures you bring for the live **auction** which always features bulbs and certificates. Be searching for great items to donate, remembering that many are traveling by air. Remember to send your list of auction bulbs/items to us by January 10th.

The second NAGC auction in 2020, "**We dig glads**", will be done in a new online venue. This auction features certificates, easy to mail items, and many, many bulbs (foreign varieties, too). The dates are February 17-19, 2020 (Monday through Wednesday). Send your list of donations to John and/or Jim by January 27th. Directions and the list of items will be available on the NAGC website after February 10th or by contacting:
