

NAGC ACCREDITED SPIKE & DESIGN JUDGES

Those names with an *are fully accredited to judge spikes, vases, baskets, patinas, and wall pockets. If your name is not on the list, your dues were not paid or you did not take the refresher course update. The date you need your refresher course update is in parentheses after your name. Judges' cards are sent to newly accredited judges or after your update is taken. You can get the refresher course CD's for spike and/or design from the Judge Accreditation Chair. Postage to and from the chair is the responsibility of the individual. CD's are available for purchase.

It is the individuals' responsibility to send in a signed update form (please make sure it is complete), and pay dues by the beginning of the year (December 1). The yearly updates are due by January 1 **Christine Michael, NAGC Judge Accreditation Chair, 1709 East Cole Road, Fremont, OH 43420-8751. Phone: 419-307-9371. Email: cmichael43420@gmail.com.**

Due to the fact that most societies did not meet during 2020 because of COVID-19, those judges needing updates in 2020 have been given a year to update. Design judges were contacted if they needed updates from a garden club. Dates for individuals that did not respond were not changed. A reminder that updated certification needs to be on file with the NAGC judge accreditation chair.
