

Did someone say "auctions"?

"A is for Auctions" (Yes! 2 of them!)

The first NAGC auction in 2018 will be the "**G is for Gladiolus**" which will be done by email and phone. This auction features certificates, easy to mail items, and many, many bulbs (foreign varieties, too). The date is February 6<sup>th</sup> - 8<sup>th</sup>. Send your list of donations to John and/or Jim. Directions and the list of items will be available on the NAGC website after January 20, 2018 or by contacting:

In February 2018 gladiolus lovers will be heading to another great NAGC convention, this time at Mount Laurel, New Jersey, which is near Philadelphia, PA. Our committee members will be ready to accept the unique treasures you bring along for the live **auction** which always features bulbs and certificates. So be searching for great items to bring along, remembering that many are traveling by air. Remember to send your list of donated bulbs to us by mid-February.
