

## Winter is for auctions

In January 2019 gladiolus lovers will be heading to the great NAGC convention in New Braunfels, TX. Our committee members will be ready to accept the unique treasures you bring along for the live **auction** which always features bulbs and certificates. Be searching for great items to bring along, remembering that many are traveling by air. Remember to send your list of auction bulbs and items to us by January 1st.

The second NAGC auction in 2019 will be "**For the love of gladiolus**" which will be done by email and phone. This auction features certificates, easy to mail items, and many, many bulbs (foreign varieties, too). The date is February 11-13, 2019 (Monday through Thursday, this time). Send your list of donations to John and/or Jim by January 10th. Directions and the list of items will be available on the NAGC website after February 1st, 2019 or by contacting:
