

NAGC 2020 Convention, 75th Diamond Anniversary of NAGC

Location: San Luis Obispo CA

Accommodations: The Apple Farm Inn - A garden inn located in SLO wine country. <https://www.applefarm.com/> The inn is 4.1 miles from the San Luis Obispo Regional Airport, which has commercial flights from American and United. It is a 1.1 mile walk to the historic Mission and the downtown area and there is a city bus which runs every 15 minutes that will take you there as well.

A block of rooms at various price points have been reserved. Reservations must be made by December 1, 2019. The convention rate will also be honored for those wanting to arrive early or stay a little longer. See chart below for room rates; note that the rate changes for Friday and Saturday. From the information we have, the Trellis court is a traditional motel type building (drive up to room). The Inn is an enclosed building and they have an additional building on the property that offers 4 unique rooms (their website has details on these. Let us, Dave and Vicki, know if you are interested so we can get them included as part of the block).
