

“Glad Fun in ‘21”

NAGC Email Auction Report (North American Gladiolus Council) February 9 - 11, 2021

Thanks for the fun!

It takes glad lovers to pull off a successful NAGC social distanced auction! COVID cabin fever helped, too!

It takes generous donors, and we say a big thank you to them:

...**certificates** - Honker Flats, Cates Family Farm, Alleman Gladiolus, Pleasant Valley Glads and Dahlias, Blooming Prairie Gardens, Summerville Gladiolus Worldwide, and Peeters Enterprises.

...**products** - Plant Food Systems, Inc., Pace 49, Inc., and Lallemand Plant Care

...**cormels and bulbs** - Cliff Hartline, Jim Green, John Alleman, Honker Flats, Dick Holtz, Jim and Karen Otto, Dave Kollasch, Jim Butler, Dave Selinger, Summerville Gladiolus Worldwide and John Meyer

...**other** – Don Selinger (gloves), Dave Selinger (book), Jim Green (books)

It takes bidders and we say “thanks” for joining in the 9th email auction. We were tickled pink to have 49 of you ask to join the fun, and especially those 8 of you who were first timers!

How much was raised to support NAGC activities and the Glad World? A whopping \$6275.00+ for 429 lots of gladiolus corms and cormels, certificates, and gladiolus related products. There will be some adjustments and shipping costs, but we are as happy as pigs in a peach orchard!

Photos were shared in a Snapfish album. Kudos to Katrina Meyer, our main photographer, and to Allen Haas for alphabetizing the photos.
