

## **August 2021 NAGC Convention Update**

Ongoing safety issues for travel into and within Canada have caused the NAGC Board to cancel the August in-person convention. In lieu of the 2021 Canadian convention, the Board is planning to hold a ***virtual NAGC zoom convention*** which will be available for all members and societies.

**Save the Date - *Thursday, Sept 30th*** and watch for information about the zoom process and agenda to include features designed to allow members to participate in some traditional convention happenings. Attend the General Assembly meeting to hear the Boards proposed action, vote on the proposed slate of officers and view glad member photo entries.
